It establishes regularity, dries the drains which destroy the strength and beauty of women, heals inflammation and un-ceration and cures female weakness. It is the best preparative for motherhood, giving great strength and elasticity to

to, unless I was danger-ously sick, and then it would be too late. If anyone had told me your medicines would do me so much good I would have said, 'Oh no, not that much good.' I can say truly I was surprised at the benefit I received. An old friend of mine said to me, 'Why, what is the matter with you, you are getting so young again'? I told her I had taken six

bottles of Dr. Pierce's medicine, and that if she would do likewise she would feel ten years younger, too."

There is one clause in Mrs. Schnetyer's letter, which voices the sentiments of thousands of sensitive women. "I knew that our home doctor would insist the first thing on an examination, and that I would not submit to, miless I was dangerously sick, and then it would be too late to do any good."

shrinks from the indelicate question-ings, the offensive examinations and obnoxious local treatments which the home physician often thinks necessary. A WAY OUT of this difficulty is opened for women by Dr. Pierce's invitation to consult him by letter, free. All correspondence is held as strictly confidential, and the written as arriedy connectual, and the written confidences of women are guarded by the same professional privacy observed by Dr. Pierce in personal consultations with women at the Invalids' Hotel and Surgical Institute, Buffalo, N.Y.
